

CU01-210 - Module Enrollment

Last Review: 8th March 2005
 Article ID:

Symptoms

Credit Union Consumer and Residential Mortgage Lending (CU01-210), contains separate modules that need to be enrolled individually. These modules are not automatically included when enrolling into the CU01-210 course.

Note: This article only applies to students that are enrolled into **CU01-210: Credit Union Consumer and Residential Mortgage Lending**.

Solution

Once you have enrolled into CU01-210: Credit Union Consumer and Residential Mortgage Lending, the course should appear in your Learning Plan. All related modules will also be listed, but have the status of **Not Enrolled**.

Note: There is no additional cost for each module if you have already enrolled into the course CU01-210: Credit Union Consumer and Residential Mortgage Lending.

In Progress
